

Welcome to the 4 days of Limburg 2023 event-camping

Agreements and information for a nice and pleasant stay

Event Camping De Borg

Open from Friday August 11th 2023 6 pm till Tuesday August 15th 2023 4 pm.

The camping site is exclusively reserved to the participants of the 4 Days of Limburg.

Access to the camping site (campers and tents) via the Komweg (side street of the Rotemerlaan, Neeroeteren) – municipal sports hall.

Campers / mobilhomes / caravans:

Mobilhomes / campers / caravans will be parked on the grass court between the Rotemerlaan and the parking lots of the municipal sports hall.

Cars of caravans must be stalled on the parking lots.

The official campersite of the municipality (to the right of the Komweg) must be kept free for other travelers.

The discharge site and water filling point (to the left of the official campersite), is permanently available for the campers of the 4 Days of Limburg.

Tents

The tent site is located behind the sports hall.

Cars shall be parked either at the gravel parking of the “Beugelclub De Borg” (60m) or at the hard ground parking lot in front of the sports hall (120m).

Living together

At 10 pm the campsite should be quiet till 7 am in the morning

Safety rules

Open fires, such as barbecue, campfires, are not allowed at the De Borg grounds.

Only the use of camping gas devices are allowed.

Showers and toilets

Showers and toilets (M/W) are situated in the back of the sports hall.

They can only be reached via the back entrance near the tents.

Please keep showers and toilets clean.

If toilet paper is no longer available, please inform the 4D Limburg team.

Kitchen and laundry

There is no specific kitchen area, nor a washroom to do the laundry.

Please don't use the sinks for these purposes.

In stead, organize yourself with a plastic bucket or tub which will be made available collectively .

The covered tartan track can be used to sit together when it rains. Under no circumstances , cooking shouldn't take place on the tartan track.

Waste disposal

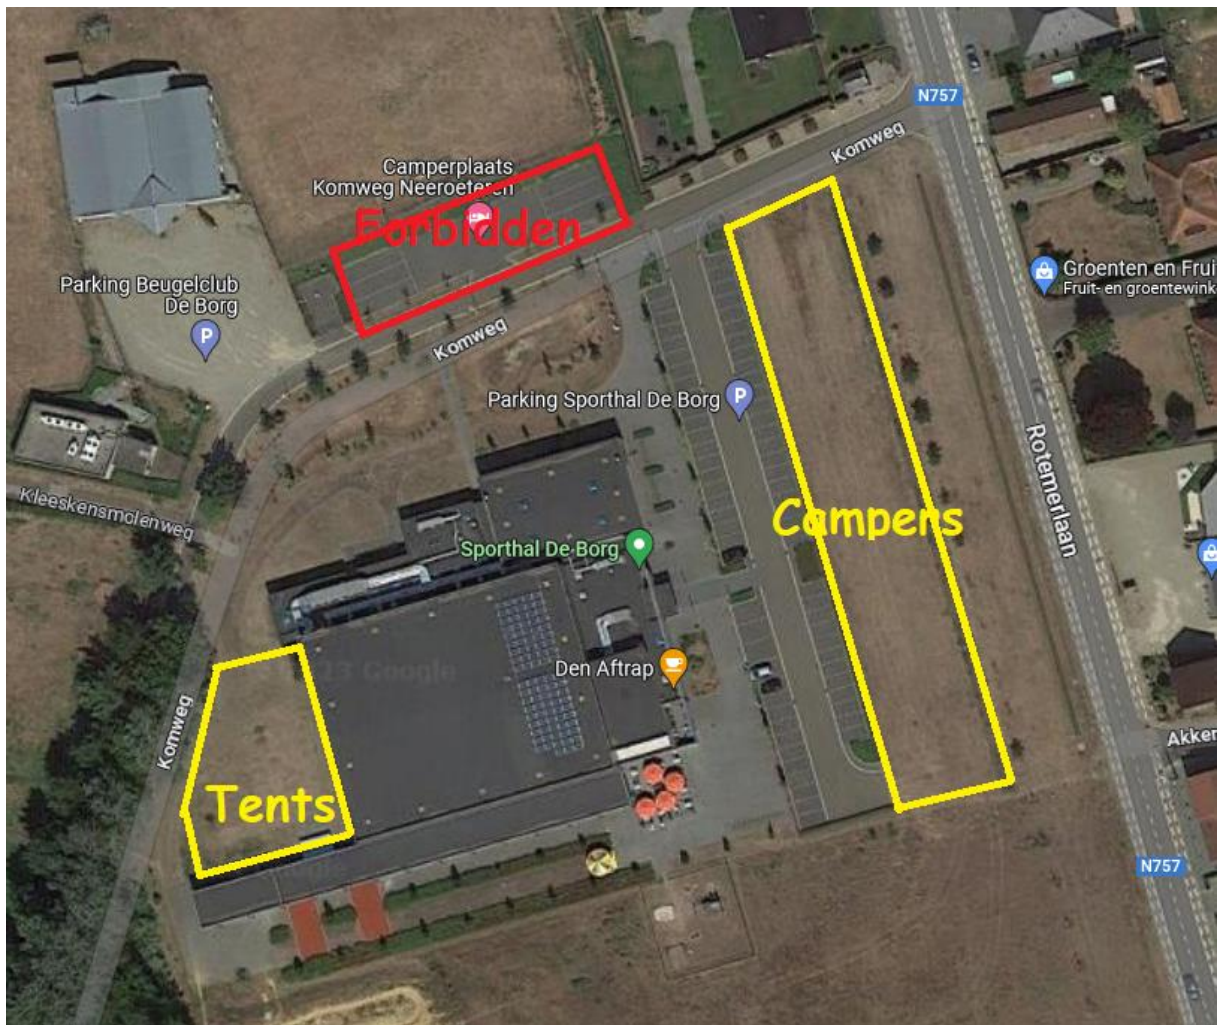

At several places you will find garbage bins/bags. They are intended for residual waste (grey).

Plastics, metal and carton packages (as Tetra bricks) shall be collected in the blue bags.

They will be made empty and replaced on regular times. However, if a garbage bag is full, please inform the 4D Limburg team.
